

## INDEX OF NAMES APPEARING IN THE BOOK *News Around Westminster (1888-1909)*

**Author's Note:** Please be advised that as I was compiling this index, I inevitably overlooked some names while visually scanning the pages, so this index should not be considered totally complete. Also, in many cases I was not certain whether two mentions of similar names were the same person or two different people. For instance, "John L. Doe" and "J.L. Doe." When there was a reasonable doubt, I listed them as two different people. So it is possible that two listings in the index, John L. Doe and J.L. Doe, for instance, might be the same person. Conversely, it is also possible that two names listed as the same person, Doe, J.L./John L., might be two different people. -- *Ashton Hester*
